PART 1: TITLE, INTRODUCTION AND PURPOSE

1. This By-law shall be known and may be cited as the “Cornwallis Park Land Use By-law” for the Municipality of the County of Annapolis and this By-law shall apply to all the lands within the community of Cornwallis Park, hereinafter referred to as the Cornwallis Park Planning Area or the Planning Area, as defined by the Zoning Map, Schedule "A".

2. The Cornwallis Park Land Use By-law is adopted in accordance with the Municipal Government Act (MGA). The Cornwallis Park Land Use By-law is intended to implement the policies contained within the Cornwallis Park Municipal Planning Strategy by establishing regulations with respect to the use and development of land. The MGA also enables the Municipality of Annapolis County to adopt a Subdivision By-law to control the division of land. These three documents provide the framework for planning and development in the Planning Area.

3. Regulations and standards that apply to a development of or on a property contained within this By-law as:

- Zoning Map (Schedule A) to determine which zone the property is located;
- the requirements respecting the particular zone in which the property is located (Parts 9 through 16);
- the general provisions section which applies to all zones (Part 7);
- the commercial signage requirements (Part 8);
- the definitions section to determine how specific developments or lot conditions are defined or applied to a development (Part 2);
- the administration section to define permit requirements (Part 3);
- throughout this Land Use By-law there are a number of “Notes to Readers”; these are for information and clarification purposes only, and do not form part of this By-law; and
- Property boundaries, shown on the Zoning Map (Schedule “A”); are continuously subject to change due to approvals of applications for subdivision of land and thus are included for information and clarification purposes only, and do not form part of this By-law.

NOTES TO READER: Sections 208 (9) & (10) of the Municipal Government Act sets out that planning documents come into effect upon the date a notification is published in a newspaper circulating in the Municipality informing the public that the municipal planning strategy and its implementing land use by-law is in effect. This date is called the effective date.

The date of publication of the Cornwallis Park Municipal Planning Strategy and the Cornwallis Park Land Use By-law coming into effect is the 1st day of May, 2014, hereinafter referred to as the effective date. This document was subsequently amended September 11, 2014.

91. RESIDENTIAL DAY CARE CENTRE means that portion of a residential dwelling, which is used to accommodate a minimum of three to a maximum of six children or adult seniors who are cared for on a temporary basis for compensation without overnight accommodation.

92. RESTAURANT means the use of a building where food and drink is served to the public for consumption within the building.

93. RESTAURANT, DRIVE-IN OR TAKE-OUT means the use of a building where food and drink is served to the public, and which does not necessarily provide facilities for consumption thereof on the premises other than parking areas.

94. RETAIL STORE means the use of a building where new or used goods, wares, merchandise, or articles are kept and offered for sale directly to the public at retail cost and may include the rental of goods, wares or merchandise, such as video cassettes or video games, provided such rental operations are clearly accessory to the normal operation of a retail store, but does not include an adult retail store/sex shop or an adult bookstore/video store.

95. SCRAP YARD OR SALVAGE YARD means an area of land or a building used for the storage, handling or processing of and sale of scrap material, and without limiting the generality of the foregoing, may include waste paper, rags, bones, used bicycles, vehicles, tires, metals or other scrap or salvage material, excluding hazardous waste materials, and shall not include a solid waste disposal, landfill, solid waste transfer station, construction debris disposal site or a recycling depot.
96. SCREENING means the method by which a view of one site from another adjacent site is shielded, concealed or hidden.

97. SELF STORAGE FACILITIES means the use of a building consisting of individual, self-contained units that are leased, usually on a monthly basis, for the storage of business and household goods or materials.

98. SEPARATION DISTANCE means a horizontally measured portion of a lot, which is required to physically separate incompatible land uses.

99. SERVICE INDUSTRIES means the use of a building for a dry cleaning shop, laundromat, sheet metal shop, welding shop, metal working shop and machine shop.

100. SERVICE SHOP means the use of a building for a bakery, upholstery shop, print shop, photography studio, high-pressure wash facility or carpet or house cleaning establishment.

101. SERVICE STATION means the use of a building for the servicing and/or repair of motor vehicles and may include the accessory sale of automotive fuels, lubricating oils and automotive accessories and may also include accessory uses such as a car wash, a dine in or takeout restaurant or a convenience store.

102. SETBACK means the distance between the lot line and the nearest main wall of the main building or structure on the lot.

103. SHOPPING CENTRE OR MALL means a building designed, developed and managed as a unit by a single owner or tenant, or a group of owners or tenants containing a group of commercial uses and distinguished from a business area comprising unrelated individual owned uses and characterized by sharing of common hallways, parking areas and driveways.

104. SIGN means any structure, device or natural object or part thereof, or any device attached thereto, or painted or represented thereon, used to identify, advertise or attract attention to any object, product, place, activity, institution, organization, commodity, profession, enterprise, industry, or business, on which shall display or include any letter, word, model, number, banner, flag, pennant, insignia or representation used as an announcement, direction, or advertisement, and which is intended to be seen on or off the premise.

a. DIRECTORY SIGN means a sign listing more than one business name or location.

b. GROUND SIGN means a sign supported by one or more uprights, poles or braces placed in or upon the ground, and shall not include temporary or portable signs.

c. ILLUMINATED SIGN means a sign that provides artificial light directly, or through any transparent/translucent material, from a source of light connected with such sign, or a sign illuminated by a light focused upon or chiefly directed at the surface of the sign.

d. PROJECTING WALL SIGN means a sign which projects from and is supported by a wall of a building and on which the face is not approximately parallel to the supporting wall including an awning or canopy where such is used as a sign.

e. FACIAL WALL SIGN means a sign that is attached directly to or painted upon a building wall and where the face is approximately parallel to the wall.

f. SIGN AREA means the area of the smallest geometrical figure that can wholly enclose the surface area of the sign.

g. PORTABLE OR MOBILE SIGN means a sign designed to be carried, pulled or hauled and which is not permanently fixed in one location.

h. NUMBER OF SIGNS means a single display surface/device containing elements
organized/related/composed to form a unit; and when matter is displayed in a random manner without organized relationship of elements, or when there is reasonable doubt about the relationship of elements, each element is considered a single sign.

j. OFF PREMISE SIGNS means a freestanding ground sign or facial wall sign (commonly referred to as a "billboard") erected on a lot, by someone other than the person or company wishing to advertise a product or service, the display of which has no direct relationship to the business or use on the lot.

105. SOLID WASTE TRANSFER STATION means a site or facility that accepts waste for temporary storage or consolidation prior to shipment to a landfill site or recycling facility.

106. STORE FRONT RECYCLING CENTRE means a business enclosed entirely within a building or structure and engaged in receiving glass, bottles, metal, metal cans, paper, cardboard and/or plastic for purposes of reuse and recycling, which involves no processing other than the weighting and packing of received recyclables for transport to a recycling depot or an industrial processing facility and shall not include a scrap yard or recycling depot.

107. STORAGE FACILITIES means the use of a building consisting of dedicated areas that are leased, usually on a monthly basis, for the storage of business and household goods and materials including motorized vehicles, recreational vehicles and travel trailers.

108. STREET LINE means the boundary line of a public street or private road.

109. STRIP MALL means a group of commercial uses, developed as a continuous unit, and characterized by shared parking and by the absence of common, interior walkways.

110. STRUCTURE means anything that is erected, built, or constructed of parts joined together or any such erection fixed to or supported by the soil or by any other structure.

111. TRAIL / MULTI-USE TRAIL means the recreational use of land for hiking, walking, cycling, cross-country skiing, snowshoeing or horseback riding, or other similar forms of non-motorized travel, together with any necessary and accessory structures such as barriers, boardwalks, gates, signage and bridges. TRAIL / MULTI-USE TRAIL does not include the use of land for any form of motorized travel, such as all-terrain vehicles, motorcycles and snowmobiles.

112. UTILITY means any public or private system, service, works, plant equipment, including broadcasting, telecommunication and cellular towers and antennas, excluding wind turbines, that may furnish services at approved rates to or for the use of the general public and is regulated by the Nova Scotia Utility and Review Board, Industry Canada or the Canadian Radio-television and Telecommunications Commission.

113. VETERINARY CLINIC / ANIMAL HOSPITAL means the use of a building for the medical care and treatment of animals and includes provisions for their overnight accommodation and includes any associated outdoor facilities such as kennels, pens, runs and enclosures.

114. VIDEO STORE means the use of a building where videos, video games, sport and game cards and sport memorabilia are offered or kept for rent/sale/trade/swap, or any other form of consideration, directly to the public, excluding an adult retail store/sex shop or an adult bookstore/video store. VIDEO commonly refers to several storage formats for moving pictures, including, but not limited to, digital video formats such as CD, DVD, QuickTime, MPEG-4 and JPEGs; analog formats/videotapes such as VHS and Betamax; motion pictures films, cable television or any other such visual media.
115. WAREHOUSE AND DISTRIBUTION CENTRE means the use of a building for the storage and distribution of goods and materials, including a moving and storage facility, and may include wholesale or retail activities, provided such activity is subordinate to the main warehousing and distribution use.

116. WATERCOURSE means any lake, river, pond, stream, ocean, and wetland area such as a bog, fen, marsh, swamp or any other body of water.

117. WIND TURBINE means a structure or device that produces power by capturing the kinetic energy in surface winds created by the sun and converting it into energy in the form of electricity and includes the wind turbine tower, the wind turbine rotor blades, the wind turbine nacelle and the wind turbine foundation:
   a. MINI SCALE wind turbine means a wind turbine which has a power generation capacity of less than 25 kilowatts, but not less than 1 kilowatt and also refers to a wind turbine which has a nameplate capacity of less than 25 kilowatts, but not less than 1 kilowatt.
   b. SMALL SCALE wind turbine means a wind turbine which has a power generation capacity equal to or less than 100 kilowatts, but not less than 25 kilowatts and also refers to a wind turbine which has a nameplate capacity equal to or less than 100 kilowatts, but not less than 25 kilowatts.
   c. LARGE SCALE wind turbine means a wind turbine which has a power generation capacity of greater than 100 kilowatts and also refers to a wind turbine which has a nameplate capacity of greater than 100 kilowatts.

WIND TURBINE BLADE means the part of the wind turbine that rotates in the wind and extracts kinetic energy from the wind.

WIND TURBINE HEIGHT means the distance or total vertical height of the entire wind turbine structure being the sum of the height of the support foundation above grade, measured at the base of the tower, the turbine tower itself, the nacelle and the highest vertical extension of the wind turbine rotor blades, generally expressed as half of the rotor blade sweep or diameter.

WIND TURBINE NACELLE means the frame and housing at the top of the wind turbine tower that encloses the gearbox and generator and protects them from the weather.

WIND TURBINE NAMEPLATE CAPACITY means the manufacturer’s maximum rated output of the electrical generator found in the nacelle of the wind turbine.

WIND TURBINE TOWER means a freestanding structure supported by a wind turbine foundation that serves to support other parts of the wind turbine, and may also mean a structure attached to guy wires that serve, to support other parts of the wind turbine.

118. WHOLESALE ESTABLISHMENT means the use of a building in which commodities in quantity are offered for sale chiefly to industrial, institutional and commercial uses or to retailers or other merchants mainly for resale or business use.
119. YARD means an open space on a lot appurtenant to a building (except a court) unoccupied by buildings or structures except as specifically permitted elsewhere in this By-law. In determining yard measurements the minimum horizontal distance from the respective lot lines shall be used.

   a. ABUTTING YARD means a yard that is contiguous with or extends across one or more zone boundaries and can extend across all or part of a side, rear or front yard.

   b. FLANKAGE YARD means the side yard of a corner lot which side yard extends from the front yard to the rear yard between the FLANKAGE lot line and the nearest wall of any main building or structure.

   c. FRONT YARD means a yard extending across the full width of a lot between the front lot line and the nearest wall of any main building or structure on the lot; and a minimum front yard means the minimum depth allowed by this By-law of a front yard on a lot between the front lot line and the nearest wall of any main building or structure on the lot.

   d. REAR YARD means a yard extending across the full width of a lot between the rear lot line and the nearest wall of any main building or structure on the lot; and a minimum rear yard means the minimum depth allowed by this By-law of a rear yard on a lot between the rear lot line and the nearest wall of any main building or structure on the lot.

   e. SIDE YARD means a yard extending from the front yard to the rear yard of a lot between a side lot line and the nearest wall of any main building/structure on the lot; a minimum side yard means the minimum width allowed by this By-law of a side yard on a lot between the side lot line and the nearest wall of any main building or structure on the lot.
PART 3: ADMINISTRATION

ENFORCEMENT

3.1 This By-law shall be administered by the Development Officer.

DEVELOPMENT PERMIT

3.2 (a) Unless otherwise stated in this By-law, no person shall undertake a development on a lot within the Planning Area without first obtaining a development permit from the Development Officer.

(b) The Development Officer shall only issue a development permit in conformance with this By-law or an approved development agreement except where a variance is granted or in the case of non-conforming use or structure in which case a permit shall be granted in conformance with the MGA.

(c) A development permit issued under this By-law shall automatically lapse, and become null and void, if the development to which it relates has not commenced within 12 months of the permit approval date.

(d) The Development Officer may revoke a development permit issued under this By-law where the Development Officer is satisfied that the development permit was issued under false or mistaken information or if the information provided on the development permit application is found to be inaccurate.

(e) Notwithstanding that a development may not require a development permit; the development is not exempt from compliance with all other requirements of this By-law, unless otherwise stated in this By-law.

NO DEVELOPMENT PERMIT REQUIRED

3.3 Unless otherwise stated in this By-law, subject to Part 3 (2) (e), no municipal development permit shall be required for:

(a) A development that involves the interior or exterior renovation that will not change the shape of the building or structure or increase its volume or footprint, will not add more dwelling units or otherwise intensify the use of the building, or will not involve a change in the use or a structural change;

(b) a handicap access ramp, decks and patios less than 0.61 m. (2 ft.) above grade, swimming pool, fence, bus shelter, clothesline or flag pole, children's play structures, outdoor fire pit, fireplace, barbeque or chimnea, wood stove or furnace, dog house, retaining wall, temporary (less than 180 days) vehicle tent, landscaping structures such as a fence, gazebo, garden trellis, wading pond, reflecting pool or fish pond, home use satellite receiving dish or communication/receiving antenna, pedestrian footbridge and an outdoor internal combustion engine supplementary power generator or roof mounted mini scale wind turbine or solar power panels.
APPLICATION FOR DEVELOPMENT PERMIT

3.4  (a) Every application for a development permit shall be accompanied by a sketch or site plan drawn to an appropriate scale, showing:

(i) the shape, dimensions and area of the lot to be used or upon a development is proposed;
(ii) the dimensions of the proposed development to be erected on the lot and the distance of the proposed development from all lot boundaries;
(iii) the distance of the proposed development from every existing building or structure erected on the lot and the size, shape and height of every building or structure erected on the lot;
(iv) the proposed use of the lot and each building and/or structure existing on the lot or proposed to be erected on the lot;
(v) where applicable, the proposed location and dimensions of any parking or loading area, driveway, ingress and egress points and landscaped area;
(vi) where applicable, a vegetative cover plan identifying the type and percentage of existing natural living vegetation on the property within the water feature setback;
(vii) where applicable, a vegetative cover plan identifying the type and percentage of proposed natural living vegetation to be planted on the property within the water feature setback;
(viii) where applicable, a slope analysis plan and/or a site grading and/or drainage plan; and
(ix) any other information, which the Development Officer deems necessary to determine whether or not the proposed development conforms with the requirements of this By-law.

(b) Where the Development Officer is unable to determine if the proposed development conforms to this By-law, the Development Officer may require that the plans submitted under Part 3.4(a) be based upon an actual plan of survey certified and stamped by Nova Scotia Land Surveyor.

SIGNATURE FOR APPLICATIONS

3.5 The application for a development permit shall be signed by all registered owners of the property or by the owner’s agent, duly authorized in writing by the registered owner of the property to act for or on behalf of the registered owner.

APPLICATION FEE

3.6 Every application for a development permit, a land use by-law amendment, a development agreement, an amendment to an existing development agreement, site plan approval or a variance shall be accompanied by a form of payment acceptable to the Municipality in the amount specified by Municipal Council, as amended from time to time.
ADVERTISING AND NOTIFICATION COSTS

3.7  (a) Where an application is made for a variance or for an amendment to this By-law or to enter into a development agreement or to amend an existing development agreement, the applicant shall deposit to the Municipality, at the time of application, an amount established by the Council to pay the cost of all advertising, notification and registry fees required.

(b) If the amount paid under clause (a) is not sufficient to cover the costs incurred, the applicant shall pay to the Municipality the additional amount required.

(c) If the amount paid is more than sufficient, the Municipality shall refund the excess amount.

(d) Where Council decides not to proceed with the application, the deposit shall be returned to the applicant, less the cost of any incurred advertising or notification cost.

(e) Where the applicant withdraws the application, the deposit shall be returned to the applicant, less the cost of any incurred advertising or notification cost.

USE OF THE METRIC SYSTEM

3.8 Throughout this By-law the metric system of measurement has been used followed by the approximate Imperial equivalents in brackets. Should any case arise in which there appears to be a discrepancy between the two figures, the metric figure shall prevail.

NOTICE TO PROPERTY OWNERS

3.9  (a) When an application has been received to amend this By-law for a site-specific purpose, enter into a development agreement, or amend an existing development agreement, if required by Council, residents of developed properties within 61 metres (200 feet) of the subject property shall be notified of the application and the Planning Advisory Committee meeting where the application will be heard.

(b) The notification set out in Part 3.9 (a) shall be in addition to the newspaper advertisement for the Planning Advisory Committee public meeting, as required by the MGA, and the notice shall be delivered to those residents of developed properties, as set out in Part 3.9 (a), by regular mail or personal service prior to the Planning Advisory Committee public meeting.

EFFECTIVE DATE OF BY-LAW

3.10 Pursuant to the Municipal Government Act, this By-law shall take effect on the date of publication of the notice advertising the new by-law or amendment, hereinafter referred to as the effective date.

SCHEDULES

3.11 All Schedules attached hereto or included herein form part of this By-law.
PART 4: ZONES, ZONING MAPS AND MUNICIPAL PLANNING STRATEGY DESIGNATIONS

ZONES

4.1 For the purpose of this By-law, the Planning Area is divided into the zones indicated in the list below, the boundaries of which are shown on the attached Zoning Map, Schedule "A". Such zones may be referred to by the corresponding symbols indicated opposite the zone name as indicated below.

ZONING MAP

4.2 Schedule "A" is the "Zoning Map" and forms part of this By-law. However, property boundaries shown on the Zoning Map (Schedule A) are continuously subject to change and thus are included for information and clarification purposes only, and do not form part of this By-law.

ZONES NOT ON THE MAP

4.3 The Zoning Map of this By-law may be amended, in conformance with the Municipal Planning Strategy, to use any zone in this By-law, regardless of whether or not such zone had previously appeared on the Zoning Map.

MUNICIPAL PLANNING STRATEGY DESIGNATIONS

4.4 References in this By-law to areas designated on the Future Land Use Map in the Municipal Planning Strategy for the Planning Area are indicated by the identifier "MPS Future Land Use Map”.

ZONE DEFINED

4.5 ZONE means a designated area of land shown the Zoning Map, Schedule "A", of this By-law.
PART 5: INTERPRETATION

INTERPRETATION OF ZONE BOUNDARIES AND SYMBOLS

5.1 The symbols used on the Zoning Map refer to the corresponding zones established in this By-law. The extent and boundaries of zones are shown on the Zoning Map and the requirements of this By-law shall apply to all zones. The boundaries between zones shall be determined as follows:

a. where a zone boundary is indicated as following a provincial or municipal public street or highway or a private road the boundary shall be the centre line of such, unless otherwise indicated;
b. where a zone boundary is indicated as approximately following lot lines the boundary shall follow the lot lines;
c. where a railroad or railway right-of-way, electrical transmission line right-of-way, or watercourse shown on the Zoning Map serves as a zone boundary between two or more different zones, a line midway between the outside limits of the right-of-way or the centre line of the watercourse shall be considered the boundary between the zones, unless otherwise indicated;
d. where none of these above provisions apply, and where appropriate, the said zone boundary shall be scaled from the Zoning Map.

CERTAIN WORDS

5.2 In this By-law, words used in the present tense include future; words in the singular number include the plural; words in the plural include the singular number; and the word "used" includes "arranged, designed or intended to be used", and the word "shall" is mandatory and not permissive. In this By-law, a phrase using the words “a building used for” may also include the meaning “in a part of the building”, if so permitted by this By-law.

PERMITTED USES

5.3 In this By-law, any use not listed as a permitted use in a zone is prohibited in that zone unless otherwise indicated. Where a permitted use within any zone is defined in this By-law, the uses permitted within the zone include any similar uses that satisfy such definition except where a definition specifically excludes any similar uses.

NOTES TO READER: It should also be noted that while some uses may be prohibited or not be permitted to be developed in a specific zone or not permitted or prohibited anywhere within the Cornwallis Park Planning Area; this plan and by-law governs the use of land only for a small portion of the Municipality of the County of Annapolis and while land uses are not regulated throughout the majority of the Municipality; those prohibited or non-permitted uses may be permitted elsewhere in the Municipality.
PART 6: DEVELOPMENT AGREEMENTS

DEVELOPMENTS TO BE CONSIDERED BY DEVELOPMENT AGREEMENT

6.1 The following developments may be considered by Development Agreement, in accordance with the Municipal Government Act and with the Cornwallis Park Municipal Planning Strategy.

PART 7: GENERAL PROVISIONS FOR ALL ZONES

LICENSES, PERMITS AND COMPLIANCE WITH OTHER BY-LAWS

7.1 Nothing in this By-law shall exempt any person from complying with the requirements of any other Municipal By-law or from obtaining any license, approval or permit required by this or any other By-law of the Municipality or regulation of the Province or the Government of Canada. Where the provisions in this By-law conflict with those of any other by-law of the Municipality or regulation of the Province of the Government of Canada, the higher or more stringent regulations shall prevail.

MULTIPLE USES

7.2 Where any land or building is used for more than one purpose, the requirements of this By-law shall be interpreted so that the highest or most restrictive of each standard required for each single use included in the development will be required.

RESTORATION TO A SAFE CONDITION

7.3 Nothing in this By-law shall prevent the restoration to a safe condition of any building or structure, except for a non-conforming use, where the MGA provisions prevail.

FRONTAGE ON STREET

7.4 No development permit shall be issued unless the lot intended to be used or upon which the building or structure is to be erected abuts and fronts upon a public street or highway or private road, unless otherwise permitted or provided for in this By-law.

AN EXISTING LOT LACKING STREET FRONTAGE

7.5 Notwithstanding frontage requirements of this By-law, a lot in existence on or before the effective date, which does not meet the requirements of this By-law with respect to the provision of frontage on a municipal, provincial public street/highway or private road, may be used for a purpose permitted in the zone in which the lot is located and a building/structure may be erected on the lot provided all other applicable requirements of this By-law are met. Where the lot lines of existing lot that lacks street frontage are altered but still remains an existing lot lacking street frontage, the lot shall remain to be considered an existing lot lacking street frontage.
WATERCOURSE PROTECTION

7.6 No building or structure shall be erected within 7.6 m (25 ft.) of the edge (mean high water mark) of any watercourse, except for wharves, marinas, landscaping structures, boardwalks, gazebos, pedestrian or vehicular bridges and buildings and structures related to yacht clubs, ship chandlery offices, marine fuelling stations, fishery and marine related uses, boat construction, building and repair facilities, boat and marine sales, service and rental facilities and any other uses so exempted in this By-law. The watercourse setback distance is defined as being part of any side, rear or front yard.

NON-CONFORMING USES AND STRUCTURES

7.7 Any use of land or building/structure constructed, or where construction has begun on a building or structure on or before the effective date of this By-law, that does not conform to the requirements of this By-law shall be subject to the MGA provisions.

TEMPORARY CONSTRUCTION USES PERMITTED

7.8 The temporary erection of a building or structure, incidental to construction, shall be permitted provided that a development permit has been issued for the main construction project and the temporary use, building or structure does not remain in place for more than thirty (30) days after the construction is completed.

TEMPORARY OR SPECIAL USES

7.9 Nothing in this By-law shall prevent the temporary use of land or the temporary erection or placement of structures for temporary use, including but not limited to, signs, displays, yard sales, flea markets, fairs, concerts or festivals provided that such uses remain in place no longer than fifteen (15) days. No development permit shall be required for such temporary or special uses.

BUILDING TO BE MOVED

7.10 Unless otherwise provided for this By-law, no building or structure shall be moved within or into the Planning Area without first obtaining a development permit.

BUILDING TO BE ERECTED ON A LOT

7.11 No person shall erect or use any building unless such building is erected on a lot, nor erect a building so that it crosses a lot line, as defined herein.

SIDE YARDS AND CORNER LOTS

7.12 On a corner lot, no main or accessory building/structure shall be erected closer to the flanking street than the minimum required front yard setback applicable to that zone.

ONE MAIN BUILDING ON A LOT

7.13 No person shall erect more than one (1) main building on a lot except for buildings in the CPR-2, CPR-3, IND-1, IND-2, C-1, RB or BD Zones or buildings located on a lot by way of a development agreement. For clarification, the lot setback requirements set out in the respective zone shall apply to all main buildings on the lot, and a minimum of 6 m. (19.7 ft.) shall be required between such main buildings on the lot, unless otherwise provided for in this By-law:
CONFORMITY WITH EXISTING SETBACKS

7.14 Where a main building is proposed to be built or expanded that is between main buildings on adjacent lots, the proposed or expanded building may be built with a front yard setback equal to the established front yard setback of the main building on either of the adjacent lots.

FLAG LOTS

7.15 Where provided for in this By-law, a development permit shall be issued for a purpose permitted in the zone in which a flag lot is located and a building/structure may be erected on the lot provided all other applicable requirements of this By-law are met. Where a lot configuration appears to be a flag lot but its frontage meets the frontage requirement of the zone the lot is located in, such a lot shall not be considered a flag lot regardless of the configuration of the lot and a development permit shall be issued for a purpose permitted in the zone in which such a lot is located and a building/structure may be erected on the lot provided all other applicable requirements of this By-law are met.

CALCULATION OF LOT FRONTAGE

7.16 Lot frontage shall be determined by the following:

a. for regular shaped lots; lot frontage shall be measured as a straight line between the points where the two side lot lines meet the front lot line;
b. in the case of irregularly shaped lots, lot frontage shall be deemed to be the horizontal distance between the side lot lines measured perpendicularly to a line joining the middle of the front lot line with the middle of the rear lot line, at a point equal to the required front yard.

SIDE YARD WAIVER

7.17 Notwithstanding the minimum side yard requirements of this By-law, where main buildings or accessory buildings or structures on adjacent lots share a common wall, the applicable side yard requirement shall be zero.

EXISTING BUILDINGS

7.18 Notwithstanding the other lot frontage, area or setback requirements of this By-law, a building which has been erected on or before the effective date of this By-law on a lot which does not meet the requirements of this By-law respecting lot area, frontage (other than such lots defined in Section 7.19 of this Part) or setbacks (front yard, side yard, rear yard) may be enlarged, reconstructed, repaired or renovated provided: the development does not further reduce the setback that does not conform to this By-law; and all other applicable requirements of this By-law are satisfied.

SUBDIVISION AND REDUCED LOT FRONTAGE OR AREA REQUIREMENTS

7.19 Notwithstanding the minimum lot area and frontage requirements of this By-law development permits shall be issued for development on lots created pursuant to the Subdivision By-law, where the lot created has less than the required frontage and/or lot area provided that neither reduction is less than ninety percent (90%) of the required minimums for lot area or frontage for that zone and all other applicable requirements of this By-law are satisfied.
EXISTING UNDERSIZED LOTS

7.20 Notwithstanding the lot frontage or area requirements of this By-law, a lot in existence on or before the effective date of this By-law, having less than the minimum lot frontage or area or both required by this By-law, may be used for a purpose permitted in the zone in which the lot is located and a building/structure may be erected on the lot provided that all other applicable requirements of this By-law are satisfied. Where the lot lines of existing undersized lots are altered so as to increase the area or frontage of the lot, but still remains an existing undersized lot, the lot shall remain to be considered an existing undersized lot.

CHANGE OF USE OF AN EXISTING UNDERSIZED LOT

7.21 Notwithstanding the lot frontage, area or setback other requirements of this By-law, the use of a building existing on a lot on or before the effective date of this By-law which does not meet the minimum requirements of the By-law respecting lot area, frontage or setbacks (front yard, side yard, rear yard) may be changed to a use permitted in the zone in which the lot is located provided all other applicable requirements of this By-law are met.

REDUCED REQUIREMENTS - LOTS WITH FRONTAGE AND MAIN BUILDINGS

7.22 Notwithstanding the minimum lot area and lot frontage requirements of this By-law, development permits shall be issued for development on lots created pursuant to the Subdivision By-law, where a lot that has frontage along a provincial or municipal street or highway or private road containing two or more main buildings is subdivided such that the normal lot area and frontage requirements cannot be met, provided that each new lot and the remainder lot contains at least one main building or structure and each new lot and remainder lot retains a minimum of 6 metres (19.7 feet) of frontage along a provincial or municipal street or highway or private road and all other applicable requirements of this By-law are satisfied.

ALTERED BOUNDARIES

7.23 Development permits shall be issued for development on lots created pursuant to the Subdivision By-law, where a development component of a permanent nature, such as mature trees, a driveway, well or septic tank is encroaching in or upon an immediately adjacent area of land. Such as the case described by altering the boundaries of two or more areas of land, where no additional lots are created and the frontage and/or area has not been reduced.

PARKS, PLAYGROUNDS & TRAILS

7.24 Notwithstanding anything else in this By-law, parks, playgrounds, passive recreation uses, trails and multi-use trails, where the control and/or operation of the park, playground, passive recreation use, trail or multi-use trail is vested in a public authority or agency thereof, are considered permitted uses in all zones in the Planning Area or within a watercourse setback and no municipal development permit is required for the development of such parks, playgrounds, passive recreation uses, trails and multi-use trails or their ancillary structures or buildings. Notwithstanding the minimum lot frontage and area requirements of this By-law, where a lot abuts a municipal or provincial public street or highway or a private road that is created for a park, playground, passive recreation use, trail or a multi-use trail, where the control and/or operation of the park, playground, passive recreation use, trail or multi-use trail is vested in a public authority or agency thereof, the minimum road frontage shall be 6 metres (19.7 ft.). Notwithstanding the minimum lot frontage and area requirements of this By-law, a lot that is created for a park, playground, passive recreation use, trail or multi-use trail, where the control and/or operation of
the park, playground, passive recreation use, trail or multi-use trail is vested in a public authority or agency thereof, pursuant to Section 27 of the Subdivision By-law may be created and is eligible for development provided all other applicable requirements of this By-law are met.

ACCESSORY USES PERMITTED

7.25 Where this By-law provides that any land may be used or that a building or structure may be erected and used for a purpose, the purpose is deemed to include any use accessory or ancillary thereto, subject to the requirements of that zone, except that home occupations shall be subject to the limitations set out elsewhere in this By-law.

ACCESSORY BUILDINGS AND STRUCTURES

7.26 a. An accessory building or structure shall be permitted in any zone in the Cornwallis Park Planning Area and may be used as an accessory use, but shall not:

i. be used for human habitation, unless otherwise permitted;
ii. be located in the front yard of a lot, except for IND-1, IND-2, C-1, RB or BD Zone;
iii. exceed the height of the main building in the CPR-1, CPR-2 or CPR-3 Zone;
iv. exceed seventy-five percent (75%) of the ground floor area of the main building on the lot in the CPR-1, CPR-2 or CPR-3;
v. be built closer than 1.2 m (4 ft) to a lot line except for common semi-detached garages, which may cross a mutual side lot line;
vi. be built within 1.8 m (6 ft.) of the main building or 1.2 m (4 ft.) of another accessory building or structure on the same lot;
vii. be permitted on a separate lot, except for IND-1, IND-2, C-1, RB or BD Zone; and
viii. be considered an accessory building if attached to the main building by an enclosed structure or if located completely underground.

b. As per subsection 26 a. of this Part, a required separation or setback distance shall be measured from the wall of the accessory building or structure.

c. No development permit is required for an accessory building or structure less than 9.3 sq. m. (100 sq. ft.) in total floor area in the CPR-1, CPR-2 or CPR-3 Zone and no development permit is required for an accessory building or structure less than 19.97 sq. m. (215 sq. ft.) in total floor area in any other zone, however, as per Part 3.2 (e) of this By-law, while a development permit may not be required, the accessory building or structure is not exempt from compliance with all other requirements of this By-law, such as those set out in subsection 26 a. of this Part, unless otherwise stated in this By-law.

d. Those accessory buildings or structures, as set out in Part 3.3 (b) of this By-law, shall be exempt from any requirements under subsection 26 a. (ii) to (vii).

f. An accessory building may be attached to the main building on the lot by way of an enclosed walkway or a breezeway; however the accessory building shall remain to be considered a separate, detached building.

g. Further to 26 a. (i) of this Part, where residential uses may be permitted in a zone, an accessory building may be used for ancillary residential uses such as, but not limited to such residential uses as, a workshop, a washroom, a TV room, a play room, a recreation room or a swimming pool changing room, but an accessory building shall not be permitted to be used for any overnight accommodation of persons, unless specifically provided for in this By-law.

h. No accessory building or structure shall be constructed prior to the time of construction of the main building to which it is accessory or prior to the establishment of the main use of the land where no main building is required, except in the CPR-3, IND-1, IND-2, C-1, RB or BD Zone.
HOME OCCUPATION REQUIREMENTS

7.27 Nothing in this By-law shall prevent the use of a residential dwelling or a residential dwelling unit for a home occupation provided that the residential dwelling or residential dwelling unit is a permitted use in that zone, and:

a. home occupations are limited to: an administrative office, artist workshop, business office, craft workshop, counseling office, domestic and household arts, instruction studio, service shop, repair shop (excluding small engine repair shops), personal grooming shop, personal service shop or clinic, professional office or residential day care centre;

b. home occupations are operated by the occupant of the main residential dwelling or dwelling unit located on the same lot;

c. the home occupation must be wholly contained within the main residential dwelling or dwelling unit located on the lot;

d. the home occupation shall not exceed twenty-five (25%) percent of the total ground floor area of the main residential dwelling or dwelling unit located on the lot;

e. an accessory building may be used for storage purposes only accessory to the operation of the home occupation and the storage area shall not exceed fifty (50%) percent of the total ground floor area of the accessory building;

f. further to Section 27 (e) of the Part, for the CPR-1, CPR-2 or CPR-3 Zones, only one (1) accessory building located on the lot shall be permitted to be used as a storage area accessory to the home occupation;

g. that one (1) off-street customer/client parking space, other than required for the residential use, is provided for every 20 sq. m (215 sq. ft.) of commercial floor space occupied by the home occupation;

h. for home occupations in the CPR-1, CPR-2 or CPR-3 Zones, only one (1) home occupation related vehicle is permitted to be located on the lot or operated from the lot;

i. for home occupations in the CPR-1, CPR-2 or CPR-3 Zones, there shall no accessory outdoor storage or display permitted;

j. signage provisions for home occupations shall be as per Part 8 of this By-law; and

k. that the home occupation does not make use of equipment that is obnoxious by virtue of dust, odour, smoke, noise, or other emissions.

PERMITTED ENCROACHMENTS IN YARDS

7.28 Except for accessory buildings and structures, the following structures may project into or be located in a required yard, required by this By-law in accordance with the distances specified in the following table:

PERMITTED PUBLIC/PRIVATE UTILITIES & MUNICIPAL SERVICE FACILITIES

7.29 Unless otherwise prohibited in this By-law, public or private utilities and municipal service facilities may be located in any zone in the Planning Area or within the watercourse setback and no zone standard shall apply. No development permit shall be required for the development or redevelopment of any government owned, operated or maintained utility or municipal service facility.

AGRICULTURAL ANIMALS & FUR FARMING PROHIBITED

7.30 Unless otherwise permitted in this By-law:

a. the housing, breeding, raising or keeping of agricultural animals, including horses, for any purpose is prohibited in all zones in the Cornwallis Park Planning Area.
b. the housing, breeding, raising or keeping of fur-bearing animals for the purposes of the production of pelts or products from fur-bearing animals is prohibited in all zones in the Cornwallis Park Planning Area.
c. an agricultural related industry does not include a use engaged in the slaughtering, rendering and/or processing of agricultural livestock and any such facilities incidental to their business administration, management, product processing, storage, sales and distribution.
d. an agricultural related use does not include an equine farm, involving services such as, but not limited to breeding, studding or sales, recreational equine farms offering products such as training, boarding or riding lessons

ADULT ORIENTED STORES & USES PROHIBITED

7.31 Notwithstanding anything else in this By-law, the development of an adult bookstore/video store, an adult retail store/sex shop, an adult entertainment use or a casino is prohibited in all zones in the Planning Area.

PROHIBITED MOTORIZED RACING TRACKS

7.32 Commercial or private use motorized vehicle race tracks, jump tracks, roads, trails, stadiums, arenas or any other such facilities or operations for motorized vehicles including, but not limited to, automobiles, motorcycles, snowmobiles or all terrain vehicles, shall be prohibited in all zones in the Planning Area.

PROHIBITED ANIMAL RACING TRACKS

7.33 Commercial uses, facilities or operations involving tracks for the racing of animals shall be prohibited in all zones in the Planning Area.

PROHIBITED PUBLIC/PRIVATE UTILITIES & MUNICIPAL SERVICE FACILITIES

7.34 Public or private utilities and municipal service facilities such as, waste disposal facilities, landfills, solid waste transfer stations and construction debris disposal sites shall be prohibited in all zones in the Planning Area.

PROHIBITED WIND FARMS AND WIND TURBINES

7.35 No large scale wind turbine shall be permitted to be developed in any zone in the Planning Area.
HABITATION OF VEHICLES

7.36 No automobile, truck, bus, coach, recreational vehicle, camper, or other motor vehicle, with or without wheels, shall be used for human habitation within the Planning Area, except for a recreational vehicle or a camper provided that such use:

a. is limited to one recreational vehicle or camper on a lot at a time;
b. is not directly connected to municipal services;
c. does not occur for longer than a ninety (90) day period in a calendar year;
d. is not located within the required minimum front yard of the lot;
e. occurs only on a property with an established main residential building or occurs only on a property where a development permit has been issued for the construction of a main residential building on the property; and
f. for clarification purposes, no development permit is required for such uses as per sections (a) to (e), above.

PERMITTED MINI SCALE WIND TURBINES

7.37 Mini scale wind turbines shall be considered an accessory structure and shall be permitted in any zone in the Planning Area, but shall not:

a. be built closer than one times (1.0) the total height of the wind turbine to any lot line;
b. be located within the front yard of a lot, except in C-1, OS, IND-1, IND-2, RB or BD Zone;
c. exceed 13m (42.6 ft) in total height, except in a BD, RB, OS, C-1, IND-1 or IND-2 Zone where the maximum total height shall not exceed 30 m (98.4 ft.);
d. exceed one (1) mini scale wind turbine on lot, except in BD, RB, OS, C-1, IND-1 or IND-2 Zone, where no more than three (3) mini scale turbines shall be permitted on a lot; and
e. exceed 13m (42.6 ft) in total height in the CPR-1, CPR-3 or CPR-3 Zone;

PERMITTED SMALL SCALE WIND TURBINES

7.38 Small scale wind turbines shall be considered an accessory structure and shall be permitted in any zone in the Planning Area, but shall not:

a. be built closer than one and a half times (1.5) the total height of the wind turbine to any lot line;
b. be located within the front yard of a lot, except in IND-1, IND-2, C-1, OS, RB or BD Zone;
c. exceed 13m (42.6 ft) in total height, except in a IND-1, IND-2, C-1, RB or BD Zone, where the maximum total height shall not exceed 46 m (150.9 ft.) and in the OS Zone where the maximum total height shall not exceed 76.2 m (250 ft.);
d. exceed one (1) small scale wind turbine on lot, except in a IND-1, IND-2, C-1, RB or BD Zone where no more than three (3) small scale turbines shall be permitted on a lot and for the OS Zone where no maximum limit shall apply; and
e. be constructed prior to the time of construction of the main building to which it is accessory, except in the IND-1, IND-2, BD, C-1, RB or OS Zone.

NOTES TO READER

It should also be noted that while some uses may be prohibited or not be permitted to be developed in a specific zone or not permitted or prohibited anywhere within the Cornwallis Park Planning Area; this plan and by-law governs the use of land only for a small portion of the Municipality of the County of Annapolis and while land uses are not regulated throughout the majority of the Municipality; those prohibited or non-permitted uses may be permitted elsewhere in the Municipality.
PART 8 SIGNS

GENERAL

8.1 Where the provisions in this By-law are inconsistent with the regulations respecting advertising signs on or near public highways made or administered by the Province, the more restrictive regulations shall apply. For the purposes of this By-law a sign shall mean a commercial sign and no person shall erect a commercial sign without first obtaining a development permit from the Development Officer and no development permit to erect a sign shall be issued unless all the sign provisions of this By-law are satisfied and all signs and parts thereof, shall be constructed and maintained in compliance with the Building Code By-law.

LIMIT ON THE NUMBER OF SIGNS

8.2 For the purpose of this Part, where a lot or building is occupied by more than one business, each business shall be considered a separate premise. Notwithstanding the other requirements of this By-law there is no maximum limit on the number of signs permitted that may be erected on any premise at any one time.

SIGNS PERMITTED IN ALL ZONES

8.3 Unless otherwise prohibited or regulated in this By-law, the following signs are permitted in all zones and no development permit is required:

a. Signs identifying the name and address of a property resident, and no more than .4 sq. m. (4 sq. ft.) in sign area.

b. Real estate, lease or rental signs not exceeding 1 sq. m (10.8 sq. ft.) in sign area in any residential zone, and 3 sq. m (32.3 sq. ft.) in all other zones. “No trespassing” signs, and of not more than 1.2 sq. m (13 sq. ft.) in sign area;

c. Signs regulating or denoting on-premises traffic, or parking or other signs denoting the direction to or function or use of a building or premises;

d. Signs erected by a governmental authority or under the direction of such an authority such as but not limited to; traffic signs, public facilities signs, public election lists, directory signs identifying the names and locations of businesses or organizations and community name signs not displaying any form of advertisement;

e. Signs on mailboxes or newspaper tubes or signs that advertise a form of payment acceptable by the merchant including signs that constitute an integral part of a vending machine or devices that indicate the time, date or weather conditions or similar device whose principal function is not to convey an advertising message;

f. Signs erected on private property identifying a community name or community facility which do not display any form of commercial advertising;

g. Signs that do not exceed .4 sq. m (4 sq. ft.) in sign area and that convey the message that a business enterprise is open or closed or that a place of lodging has or does not have a vacancy;

h. A sign having an area of not more than 10 sq. m (108 sq. ft.) incidental to construction and within the area designated for such purposes and erected only during the period of construction;

i. Memorial signs or tablets and signs denoting the history and/or date of a site, building or structure; and

j. The flag, pennant, banner, or banner of any government authority or of any religious, charitable or fraternal or corporate organization.
SIGN PROHIBITED IN ALL ZONES

8.4 The following signs shall not be permitted in any zone:

i. Any sign or sign structure which constitutes a hazard to public safety, including signs which by reason of size, location, content, colouring, or manner of illumination obstruct the vision of drivers or obstruct or detract from the visibility/effectiveness of any traffic sign/control device on public streets, or which may be confused with any traffic sign/control device;

ii. Signs not erected by a governmental authority which make use of words such as "STOP", "LOOK", "ONE WAY", "YIELD", or any similar words, phrases, symbols, lights, characters, or colours such as directional arrows in such a manner or location as to interfere with, mislead, or confuse traffic;

iii. Signs which incorporate in any manner any flashing or moving illumination which varies in intensity or which varies in colour and signs which have any visible moving part, visible revolving parts, or visible mechanical movement of any description;

iv. Any sign which obstruct free ingress to or egress from a fire escape door, window, or other required exit-way; and

v. Signs on public property or a public right-of-way unless erected by a governmental authority, permission to erect the sign is granted by the public authority or the sign is required to be so located by order of a governmental authority.

FACIAL WALL SIGNS

8.5 No facial wall sign shall:

a. extend above the top of the wall on which the sign is placed;

b. extend beyond the extremities of the wall on which the sign is attached to;

c. project more than 0.3 m (1 ft.) from the wall on which the sign is attached to.

PROJECTING WALL SIGNS

8.6 No projecting wall sign shall:

a. exceed 0.75 sq. m (8 sq. ft.) in sign area unless the sign, supporting structure and installation method of the sign are designed by a qualified professional;

b. project beyond a property line, driveway, entrance or exit access or ramp or parking aisle or area;

c. project into or over any public property or a corner sight triangle; and

d. project above the top of the wall on which the sign is attached to.

TEMPORARY SIGNS

8.7 Temporary signs used for the advertisement of special events or occasions, sales, relocation's and similar purposes shall be placed not more than fifteen (15) days prior to the occasion and shall be removed within forty-eight (48) hours of the completion of the occasion and shall be limited to no more than three such signs in any premises and shall not be counted in addition to other signs permitted in accordance with the other requirements of this Part.
GROUND SIGNS

8.8 No ground sign shall:

a. project beyond a property line or into a corner sight triangle;
b. have more than five (5) signs per business on a supporting structure;
c. in the case of a ground sign such as a folding or sandwich sign the sign shall not be located on public property or be placed in a corner sight triangle.

ROOF SIGNS

8.9 No roof signs shall be permitted unless the roof sign, supporting structure and installation method of the sign are designed by a qualified professional.

SIGNS IN A CPR-1, CPR-2, or CPR-3 ZONE

8.10 Unless permitted under Section 8.3 of this Part:

i. Accessory to the home occupation on a lot:

a. no sign shall be back-lit illuminated;
b. no ground sign shall be erected that is mobile or portable in nature;
c. no ground sign shall exceed 0.75 sq. m. (8 sq. ft.) in single face area;
d. only one (1) double faced ground sign shall be permitted; and
e. only one (1) facial wall sign or projecting wall sign that meets the requirements of Part 8.6 or 8.7 of this Part shall be permitted.

ii. No off-premise commercial advertising sign shall be permitted.
