

Spring and Fall Clean Up

Spring and Fall Clean Up occurs the weeks of April 12–22, 2022 & September 13–23, 2022 during your regular pick up day.

- Your Spring or Fall Clean-Up will occur on one day only.
- In all cases, normal waste-resource collection (recyclables, compost carts and garbage) stays on the same schedule.
- All items must be roadside by 7:00 am on pick up day, and may not go out more than 7 days prior to the clean-up.
- No more than 20 bags per stop (loose items not bagged will be considered 1 bag).
- Any bagged items must be in clear transparent bags.
- No more than 2 appliance type items per stop.
- Furniture items no more than 200 lbs; other items no more than 75 lbs each.

Items that will be picked up:

- Washer, dryer, stove
- Fridge, freezer, air conditioner, dehumidifier - with CFC sticker
- Furniture, mattress
- Water tank, boiler
- Carpet (rolled in 4ft lengths)
- Construction waste (tied securely in bundles)
- Pine needles (in clear bags)
- Small auto parts (no fuel or fluids)
- Empty oil storage tank
- ATV tires and small tractor tires

Items that won't be picked up:

- NEW Electronics: televisions, computers, monitors, printers, audio & visual playback and recording systems, telephones etc.
- Leaves and brush
- Cardboard boxes
- Large or heavy auto parts
- Household hazardous waste, paint & motor oil
- Propane cylinders
- Automotive tires
- Automotive batteries
- Fridge, freezer, air conditioner, dehumidifier - without CFC sticker

Medical Waste: Please contact your local pharmacy for safe sharps containers and details for their pharmacy return program.

Tires: Return up to four regulated used tires to any tire retailer in the province during their regular business hours - free of charge. Includes: Car and truck tires, motorcycle tires, camper tires and trailer tires. This is a Divert NS program.
