

ANNAPOLIS COUNTY VOLUNTEER EXPO

Registration Deadline is September 15th

Dear Community members:

Bringing community groups together to recruit, promote, and network was a very successful venture last year, so we're doing it again! And, after listening to your feedback, we have confirmed it will be inside and tables will be provided!

Get ready for another exciting live, in-person opportunity that will see potential volunteers connect one-on-one with representatives from your organization, while embracing the chance to educate people on your group's efforts and all it offers to Annapolis County.

There will be community presentations, entertainment, and lots of food...plenty of activities to enjoy! While some people are playing, others will be visiting the booths finding a community group that is a good fit for them.

We continue to welcome new residents in the area and volunteering is an ideal way for them to meet new people and become active in their community. This event will open the door for these introductions.

Let us help you recruit volunteers for your community group, while promoting all the wonderful things you do!

When: Saturday, September 21st, 10:00 am—12:30 pm
(Annapolis County 2024 Volunteer Recognition Ceremony, 1:00pm)

Where: Bridgetown Regional Community School (25 Cromwell Crt.)

To Register: Visit AnnapolisCounty.ca to register your organization and learn more about this exciting opportunity, or contact John Smith at volunteerexpo@annapoliscounty.ca.
