This map was created or compiled by the Town of Bridgetown ("Town") with the intent of using the map for local government related activities, and not necessarily with the intent of use of the map recipient ("Recipient") in mind. By nature, maps area graphical representation of real-world conditions, with accuracy, resolution, and thematic display determined with the anticipated use of the map in mind. Although the Town strives to maintain an accurate and precise inventory of maps in order to perform government-related tasks, this map contain errors, may not be current, and may omit important information.
