Competencies

Values Diversity -Valuing Diversity is the ability to understand and respect the practices, customs and values of other individuals and cultures. Diversity is beneficial to the organization and community. It applies the ability to work effectively with a wide cross-section of the community representing diverse backgrounds, cultures and socio-economic circumstances, and divergent goals.

Communication - Communication is effective, timely, and relevant exchange of information that is respectful of the diversity of people, and the geography and working environments of our employees. It includes receiving information, listening, understanding and responding openly and effectively in interactions with others. It also implies this information is processed into actions.

Citizen Services - Implies a desire to help or serve others in a courteous and respectful manner and with the goal of meeting their needs. It means focusing one's efforts on discovering, meeting and balancing the needs of citizens, residents, elected officials, internal colleagues, or anyone that the person is trying to help. This involves recognizing that municipal employees are providing services and information to those who have rights and obligations (taxpayers and residents).

Achievement Motivation - Focuses efforts on working well and / or competing against a standard of excellence while achieving high quality results.

Work Safety - Employees have a responsibility to take all reasonable and necessary precautions to ensure their health and safety and that of anyone else who may be affected by their work or activities. This includes adhering to safe practices and standard operating procedures established to reduce risks. Failure to do so is grounds for disciplinary action in accordance with the County's policies regarding managing unsatisfactory performance.

Duty of Loyalty - As a representative of the County of Annapolis, every employee has a legal obligation to avoid acting in a manner that's contrary to the County's interests. This includes refraining from public criticism of the County's practices or personnel, as well an obligation to maintain confidentiality. Failure to do so is grounds for disciplinary action in accordance with the County's policies regarding managing unsatisfactory performance.
